## THE MONTH THAT WAS JULY 2023

### Rubbish Day Friday

We have designated a small portion of our Friday afternoon programme to giving back to Katikati Primary School. Each Friday, weather dependent, Katikids are choosing a different area of Katikati Primary to help out by tidying up, picking up rubbish, and returning lost balls, toys, and lost property back to where they belong. This initiative has been driven by Devyn McGurk. Devyn is always keen to help out and often rallies the other children to lend a hand.

### **ALL ABOARD**

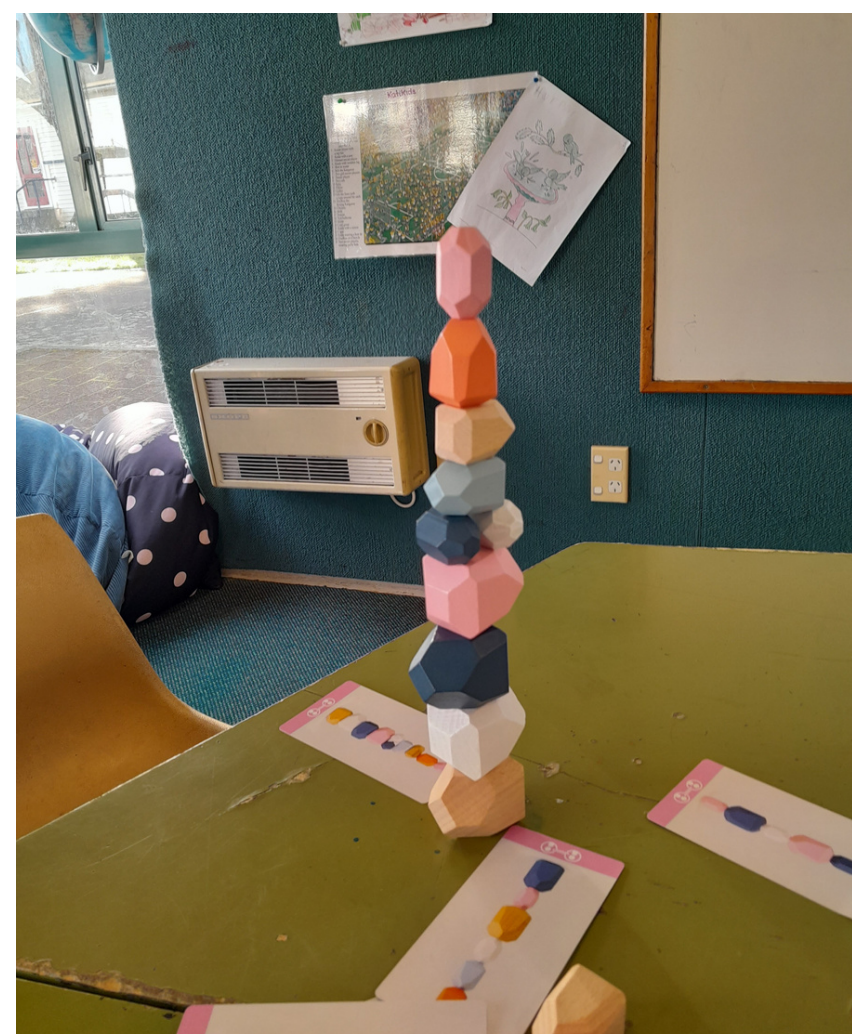

"Hop on, Where are you going today?"

Asked bus designer and driver Ariana Silby. Ariana had a great idea pulling all the chairs out and enticing the other children to play. Once the idea started to take shape, all the children were more than happy to play along. Bianca organised tickets and the children had to decide where they were going. It was a long journey with the some what eratic driving from our bus driver. There were stops in Tauranga, Australia and even as far as Disneyland. Niko thought it was a good idea to have his safety helmet on just incase. All the katikids really enjoyed this free play. What a great idea and awesome role model you are Ariana. Well done.
